*Please note: (1) Heating oil tank decommissioning must be accomplished by, or overseen by, a current holder of an IFCI Underground Storage Tank (UST) Decommissioning Certificate on file at the Fire Marshal's Office. (2) If decommissioning work will not be done on the date indicated, you must notify the Fire Marshal's Office in writing (fax) or in person by 9:00 am of the day when the work will actually be performed. Failure to comply with either condition renders the permit invalid and may subject you to criminal liability.
